

Why not slip teddy into something warm and comfortable? These Tee's are quick and easy to knit so Teddy doesn't need to be naked any longer. All you'll need is some left over yarn in assorted colours – great for stash busting of course! Knit from the top down and in the round. Teddy's tummy girth should be approx 14.5 inches. Feel free to add a coloured stripe or two where you please.

**Amount** of yarn required : 50g or a little under for each Teddy Tee including the stripes.
